

## **Technical Specification: MC 3211 – TUNA CHUNKS IN BRINE – 6 x 2kg**

### **General Information**

|                    |                                    |
|--------------------|------------------------------------|
| Code               | 3211                               |
| Description        | Canned tuna chunks in brine        |
| Origin             | Philippines, Papaoa New Guinea     |
| Shelf life         | 36 months from date of manufacture |
| Brand              | Nova                               |
| Units per carton   | 6 x 2 kg                           |
| Cartons per pallet | 50                                 |
| Cartons per layer  | 5                                  |
| Layer per pallet   | 10                                 |
| EAN-article        | 5410676032116                      |
| EAN-carton         | 65410676032118                     |
| Nett weight        | 1705g                              |
| Drained weight     | 1260g                              |

### **Organoleptic Parameters**

|             |                                                                                                                               |
|-------------|-------------------------------------------------------------------------------------------------------------------------------|
| Description | Chunk style consists of a mixture of pieces of tuna in which the original muscle structure is retained                        |
| Colour      | Bright, uniform, good characteristic for the pieces, units practically free from greenish, grey green, pinkish or orange cast |
| Texture     | Uniform tender meaty chunks, without toughness excessively soft, mushy or pasty                                               |
| Flavour     | Good characteristic flavour of tuna. No foul taste                                                                            |
| Odour       | Good characteristic odour of tuna. No off odour                                                                               |

## Ingredient List

|                      |
|----------------------|
| Skipjack tuna chunks |
| Water                |
| Salt                 |

## Product Specific Information

|                |          |
|----------------|----------|
| Flakes content | 30 % max |
| Dolphine safe  | yes      |

## Sterility

|                              |     |
|------------------------------|-----|
| Commercially sterile product | Yes |
|------------------------------|-----|

## Physical and chemical characteristics (Finished Product)

|                |            |
|----------------|------------|
| Histamine      | <50 ppm    |
| Water activity | > 0.85     |
| pH             | > 4.6      |
| Salt           | <1.5%      |
| Tin            | <200 ppm   |
| Cadmium        | <0.10 ppm  |
| Lead           | <0.30 ppm  |
| Mercury        | < 0.50 ppm |

## Nutritional Values

| Average NV         | Per 100gr         |
|--------------------|-------------------|
| Energy             | 538 kJ / 128 kcal |
| Fat                | 1,0 g             |
| Of which saturated | 0,4 g             |
| Carbohydrates      | 0,6 g             |
| Of which sugars    | 0 g               |
| Protein            | 29 g              |
| Salt               | 0,57 g            |

## Storage Conditions

Keep cool and dry. Once opened, refrigerate below 4°C in a hermetic food container and consume within 24 hours.

## Intolerance Data

| Ingredients and derivates causing hypersensitivity according to EU legislation.                                          | Used in the product (incl. as carrier for additives, carry over additives, processing aid). |    |   | Able to cross contaminate the product? |    |
|--------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|----|---|----------------------------------------|----|
|                                                                                                                          | Yes                                                                                         | No | ? | Yes                                    | No |
| Cereals containing gluten and products thereof (i.e. wheat, rye, barley, oats, spelt, kamut or their hybridised strains) |                                                                                             | X  |   |                                        | X  |
| Crustaceans and products thereof                                                                                         |                                                                                             | X  |   |                                        | X  |
| Eggs and products thereof                                                                                                |                                                                                             | X  |   |                                        | X  |
| Fish and products thereof                                                                                                | X                                                                                           |    |   |                                        |    |
| Peanuts and products thereof (inc. oil)                                                                                  |                                                                                             | X  |   |                                        | X  |
| Soybeans and products thereof (inc. lecithin)                                                                            |                                                                                             | X  |   |                                        | X  |
