

# Product Datasheet

G580-0T  
Version 14  
10-12-2024

## Designation

<b>Reference</b>	G580-0T F580-10 F580-15 F580-20
<b>Suitable with</b>	F580-25 F580-30 F580-40 F580-50 F580-60

## Technical Data

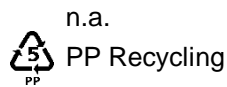

<b>Manufacturing Process</b>	Injection
<b>Owner</b>	Plásticos Futura, Lda
<b>Production Environment</b>	Controlled for food packaging

## Technical Features

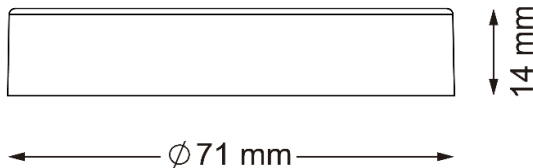

<b>Raw material</b>	Polypropylene	<b>Available colors</b>	Colorless / Yellow / Blue / White / Brown / Orange / Gold / Black / Pink / Green / Red / Silver
---------------------	---------------	-------------------------	---

## Technical Symbolology

### Extra Info

## Product Details

<b>Useful Capacity</b>	n.a
<b>Maximum capacity</b>	n.a.
<b>Weight</b>	6,5 ± 0,5 g
<b>Type of Quality control</b>	Visual control
<b>Labels</b>	Tag
<b>Label Material</b>	PP
<b>Labels Dimensions (mm)</b>	Ø 63 mm

## Storage

- This product is suitable for any food contact in cooling or freezing conditions.
- This product is suitable for any longer storage at room temperature or lower, including heating to 70°C for 2 hours (maximum) or heating to 100°C for 15 minutes (maximum).
- It is recommended to use the product within 12 months from the production date.
