

 Albacete (Spain) Since 1734	TECHNICAL SHEET BASIC BLOCK REF. 7959	
DESCRIPTION		
The Basic Universal Knife and Scissor Holder is a practical and visually appealing solution for organizing knives and scissors on your countertop. Its clean lines, combined with a colored body and acacia wood top, create a modern style that blends seamlessly into various kitchen décor. Designed for everyday use, it keeps your knives and scissors organized, easily accessible, and neatly stored, optimizing space with a discreet and sophisticated look. It features four knife slots and one scissor slot, making it a versatile option for daily use. Another advantage is its removable base, which makes cleaning the inside of the holder a breeze. Available in three colors (olive, black, and beige).
